ANTI-AGEING MASSASJETEKNIKKER I 10 STEG

MASSAGE

The massage consists of **10 successive movements** on the décolleté, the neck, the face and the back of the hands.
Each area is worked deeply and with movements suited to the signs of aging specifically present in this area. The massage protocol alternates between dynamic movements and slow movements to **restore the skin's firmness, tone and radiance**.

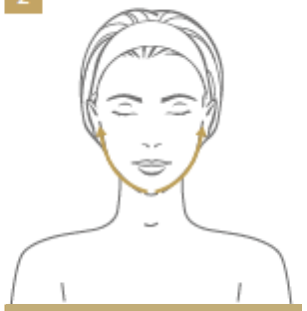

1

DECOLLETE, SHOULDERS, NECK, JAWLINE

Encompassing stroking motions on the décolleté, the shoulders and the neck then alternating stroking on the jawline.

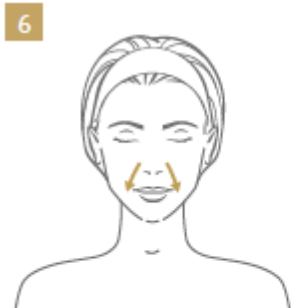

2

JAWLINE

Stroking from the chin to the temples with the wrists.

6

NASOLABIAL FOLDS

Palpating-rolling movements along the nasolabial folds, return using stroking motions.

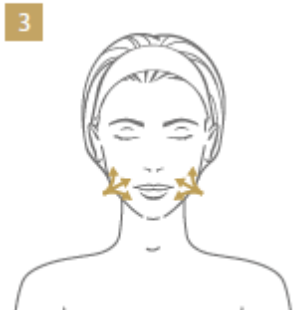

7

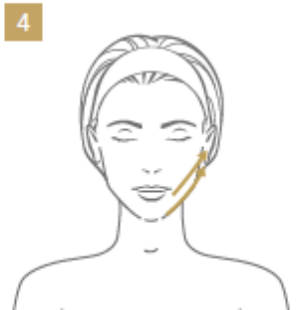

EYES

Stroking under the eye, light tapping of the eyelids and stroking under the eyes, do the same on the other side.

3

4

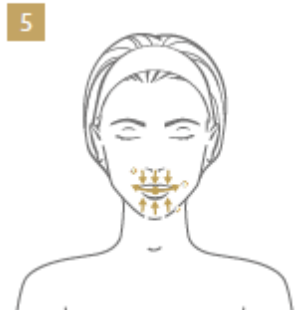

JAWLINE

4 fan-shaped movements on the jaw.

Palpating-rolling of the chin toward the lobe following 2 paths, do the same on the other side.

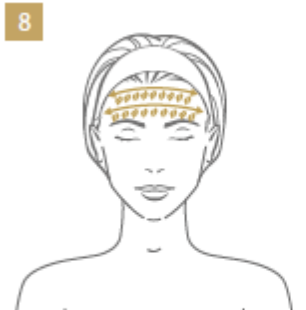

5

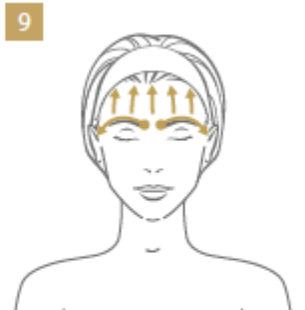

LIPS

Downward stroking toward the upper lip, upward stroking toward the lower lip, sliding pinching movements from the centre of the lips outward.

8

9

FOREHEAD

Intertwined index fingers on the forehead following 2 paths.

Pressure on the head of the eyebrow, stroking toward the temple then alternating upward stroking on the forehead.

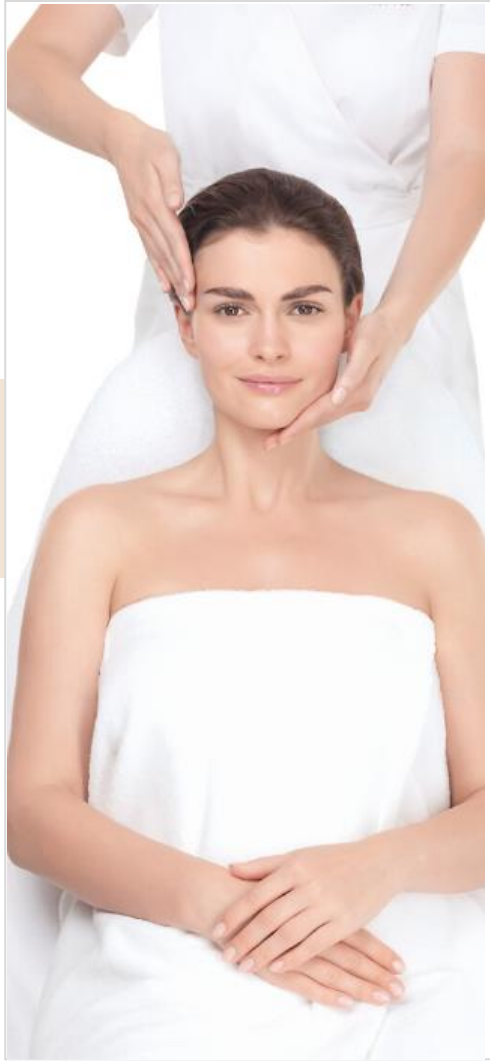

10

HANDS

Alternating stroking with the thumbs on one hand, then the other.

4

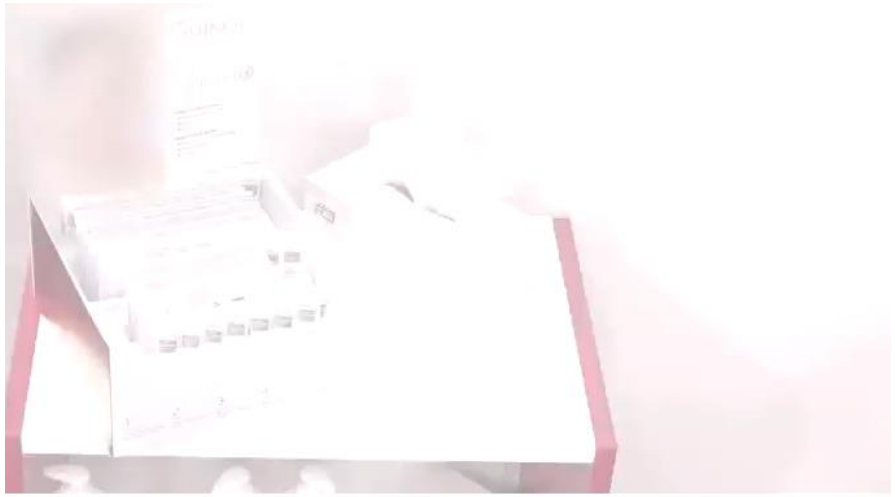

MASKER

10 min.

PLUMPER, GLATTER RYNKER OG BOOSTER GLØD. DEMPER PIGMENTFLEKKER PÅ HALS, DECOLLETE OG HENDER

- ANSIKT OG HALS: **MAFANEEKSTRAKT**
- DECOLLETE OG HENDER: **VITAMIN C + MELANOXYL**
